The Invisible Enemy: Black Fox Review

January 8, 2012 · By: Belinda ·

Book Synopsis:

It starts when reporter Dorian Valentine discovers a horrific secret regarding the Strategic Offensive Reduction Treaty (a critical peace agreement between the former Soviet Union and the United States): One side is cheating, and even worse – the cheating side holds the ultimate trump card. Brutally trained from birth to live, talk, and think like Americans, Russia has constructed the most dangerous network of secret operatives ever known – created for the ultimate trinity: Intelligence, Espionage, and Warfare. This dynamic organization has been planted on U.S. soil long ago by the former KBG to retrieve information at any cost, cause political catastrophe, or kill on moment's notice. Now they are out of control, striking fear into the heart of the Pentagon. The Central Intelligence Agency assembles a powerful team of agents that “do not exist” in an attempt to terminate an enemy that cannot be caught by any traditional methods. The Invisible Enemy grabs the reader by the arm, and casts them deep into the furious depths of intense warfare, awesome espionage, and unpredictable deceit – where there is a frightful undercover agenda that even the operatives themselves are not aware of.

What I Thought:

Hubby often complains that I spend too much money on books. I have been known to buy 3-5 paperbacks in a weekend (if I'm splurging). This is one of the books that I will definitely read over and over again.

Anyone who loves the show "24" would love this book. This book has it all: spies, deception, international intrigue, and great action sequences. Once I started reading, I couldn't put this book down until I finished the last page. The best thing is that hubby has stated that he wants to read this book next.

You can read excerpts from the book at the [Anthony Howard](#) website.

Where to Buy:

You can buy *The Invisible Enemy: Black Fox* at [Amazon.com](#).

How to Win:

You can win *The Invisible Enemy: Black Fox* as part of my New Year, New Reads prize package. So make sure to stop back on Jan. 9 to enter.

***I received a copy of this book to review, but was not compensated in any way for my review. All opinions are strictly my own*
